COMPOSER'S NOTE:

Homage to a Son was composed as a tribute to my son, Samuel Lindeman, who encouraged and inspired me to write it, and is dedicated to him. The work is also a tip of the hat to those composers and their works that have influenced us. Within the *Homage* are quotes and echoes of concertos and other works by Mozart, Beethoven, Schubert, and Brahms, as well as Herbie Hancock, Chick Corea, and Paul Simon, among many others.
